Visitor guide – Huguenard 2F conference room

HDI leases office space on all three floors of 2355 Huguenard Drive. It is conveniently located behind the Kroger on Nicholasville Road. The building houses staff offices, a large training room, and a small conference room. The Maurice Dawson Jr. Conference Room has space for 8-10 people. It also has video conference equipment.

Note: The Huguenard office has an all-gender restroom located on each floor. They have grab bars but are small and might be a tight fit for people who use wheelchairs or other devices.

Parking

A UK parking permit is not required since this office is off campus. There are more than 20 parking spaces around the building. There are 3 accessible spaces near the door. There may be other spaces available in the office park.

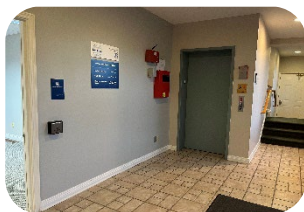

Finding the room

Enter through the main door. The elevator is in the lobby to the right. Take the elevator to the second floor. The conference room is right outside the elevator. Look for the signs that say Maurice Dawson Jr. Conference Room.
